Dear Dione,

3/7/73

Your are "gone"! It is official, too. Written on the face of my envelope stamped Feb 26 by the local post office. So, of the letters I wrote you that you didn't get, this one is accounted for. Can't blame you for not telling the sheriff where you are, but it may account for other mail not reaching you.

Of the addresses you asked, I can give you what follows. There is no Bnot Shalom in New York City that I can find and I checked the reverse of the names (There is a Shalom Razor Blades if that interests!). There is no Jewsih Welfare Foundation. I knew of a Jewish Welfare Board, the correct name of which is National JWB. Their interest is, as I recall, exclusively military. In any event, they and a number of subsidiaries are at 15 E 26 St.

Aside from an attorney, who is not a shrink, there are three Milton Bergers, only one of whom is listed as MD. Milton Miles Berger 30 E 72 St. The others are at 270 E 44 and 127 E 59. Both could be either business or office addresses, but neither is medical.

All B'nai Brith addresses are still as I gave you.

Hillel is listed separately from B'nai Brith, but not a national office in NYC. Only the addresses of the various college chapters.

Hadassah at 65 E 52.

There are too many magazines to begin to give you names and addresses and I don't all are specialized. Besides, I'm not going to help you do something foolish. I've addressed this in the recent past.

I enclose the letter that was returned.

Sincerely,
